

EUROPEAN UNION'S REACH REGULATION DECLARATION CERTIFICATE

The European REACH Regulation 1907/2006 on Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH), Annex XVII entered into force in June 2009, and affects all companies producing, importing, using, or placing products on the European market. The aim of the REACH regulation is to ensure a high level of protection of human health and the environment from chemical substances.

Auto-Maskin AS's Marine Pro and Marine Plus products are considered as products as defined in REACH Article 3 (3).

Auto-Maskin aim to capture all necessary information regarding REACH. However, this has so far not been possible for all components used in the Marine Pro and Marine Plus products. As of the date of this document, Auto-Maskin is not aware of any component used which is not in compliance with REACH (EC 1907/2006) and the respective SVHC list (last updated January 23, 2024, containing 240 entries).
